Thank You!

We would like to acknowledge the donation of £25 we received through the door in January towards the cost of publishing the Wrambler. It is much appreciated!

“The Village Hall Committee are pleased to let everyone know all the work is completed, bills paid and grant monies in for the renovations and improvement programme at the Village Hall.

We have replaced lintels, repointed the perimeter wall, repaired and resurfaced the car park, improved the porch pillars, bought 70 upholstered chairs and new tablecloths. In total we spent over £14000.

Thank you to all who helped raise the funds through donations, supporting events and buying so many raffle tickets ( we have used over five books).

Also to Ryedale District Council Stronger Communities fund, Persimmon Homes and the Jack Brunton Trust for their generous grants which totalled £4500.

So many villagers assisted but a special thank you must go to Pete Renshaw for managing all the work. There's no doubt it would never have been completed with so little disruption without his help.

Next on the agenda - decorating the hallway and downstairs room. We'd like to do this as a 'Friends of the Village Hall' project so if you're up for it watch this space!"

The VH Committee.

A DATE FOR YOUR DIARY!  
Thursday March 21st 2019  
Wrelton Village Hall at 7pm

Peter Hartrey's talk and slide show this year will be taking us to:

### **The Kuari Pass and The Valley of Flowers.**

"The historic Kuari Pass lies on the approach route to two of India's highest mountains, Nanda Devi and Kamet, both of which were eventually climbed by British mountaineers in the 1930s.

The expedition which climbed Kamet in 1931 returned by a different route, crossing a high pass and descending into the head of the Bhyundar Valley. The team were struck by the beauty and abundance of flowers they found there. In 1937 the leader, Frank Smythe, finally had the chance to return there, staying for four months and writing a book afterwards titled The Valley of Flowers. To this day the upper part of the Bhyundar Valley is still known by this name. It is now a World Heritage Site."

There will be tea and coffee available and home-made biscuits!

Donations bucket with proceeds going to the Village Hall funds.

### **Boules Court**

There has been a suggestion that a boules court could be constructed behind the Village Hall adjacent to the children's playground area. Before we take it any further it would be helpful to know how many villagers might be interested in using such a facility. Please let Helen know by the end of February if you are interested by contacting her on [helenyoungy52@hotmail.com](mailto:helenyoungy52@hotmail.com) or ringing 473841.

### DOWN YOUR WAY - Wrelton as it was!

Peter Anderson, who lives at the house on the right in the above photograph, handed his collection of Wrelton 'Now and Then' images to me last year. Over the course of the next few months (or years!) I will be featuring them in the Wrambler. I'm sure the above picture needs no explanation as to where it is! If you have any images you think may be of interest please let me know!
