Village Hall Committee AGM

The Village Hall committee will be holding their AGM on Tuesday 13th October at 7 pm in the village hall.

Due to current COVID 19 regulations the number of people attending has to be limited. Therefore any residents of the village who would like to attend should please let us know by emailing Wrelton.village.hall@gmail.com or contacting Kathy Waddington on 07939739164 (text or call).

The Aislaby, Middleton And Wrelton Parish Plan Revisited 2019-20

In 2019 Aislaby, Middleton and Wrelton Parish Council undertook to review the Parish Plan that was devised in 2008 with the aim of re-evaluating what is important to our residents. The review included a survey that was taken last year by way of a questionnaire distributed to every household.

You can now find a summary of the survey results, an update on the major concerns raised in the original plan, an outline of opinions given in the 2019 survey and current issues faced. Also, information about who is responsible for various things such as verges, street lighting, footpaths etc. and where extra information can be sourced from or where issues can be reported at the Parish Council website:

www.aislabymiddleton-wrelton.ryedaleconnect.org.uk

to order a printed copy of the report contact Mike Peirson at aismidwrel@gmail.com or on 07779 317775.

A message of appreciation from the Village Hall Committee

After many years of taking a very active role on the VH Committee Peter Renshaw has taken the decision to step down. He therefore tendered his resignation at the last meeting which was reluctantly accepted. However, Peter will still carry out his cleaning duties and playground equipment checks.

Thank you Peter for your many years of service – your energy and commitment to the Village Hall will be very much missed.

#BangOutOfOrder

It is the time of year when owners of pets and other animals start thinking about Firework Night and how to prepare for it. The RSPCA have good advice on their website and are also running a campaign (#BangOutOfOrder) to have fireworks licensed as the effect on animals is becoming a serious concern.

Some figures from their website:-

A recent poll confirmed around 62 percent of dogs show signs of distress during fireworks. Results also saw other animals showing distress during fireworks:

54 percent of cats, 55 percent of horses (The British Horse Society reports 20 deaths, 10 severe injuries, and 88 mild to moderate injuries in horses in fireworks incidents since 2010).

For further advice and to join the campaign go their website at:

www.rspca.org.uk/getinvolved/campaign/fireworks

The main points are: Restrict private use to traditional dates only, reducing maximum permitted decibels for private use, public firework displays to be licensed and fireworks to be labelled as 'low noise' or 'loud' to allow consumers to make informed decisions.

Thank you to Jean Clark for sending feedback on a great use of the wifi at the Village Hall.

"I have been taking online pilates classes during the lockdown. This morning I took the class in our living room via Zoom from the Village Hall. Anna Wadsworth, the Pilates teacher, would like to let villagers know that using the wifi in the village hall is 'fantastic' and 'really easy to use'. The class is full, the feedback has been good and hopefully the sessions will continue. Each Monday morning Anna streams her classes live, via Zoom, to students in their own homes, on holiday or anywhere in the world. At the same time other class members who have no internet access are taught in the Village Hall. Thanks to the Hall committee who arranged internet access and hopefully new uses will be made during the 'new normal' and beyond."
